Each year millions of Canadians take advantage of the many tax-saving measures that put hard-earned tax dollars back into their pockets. Are you one of them? Find out what measures are available to you and what you have to do to claim them, such as keeping your receipts.

Use the information in this brochure to put a plan in motion to make the most of the credits and deductions available to you. Remember to file your return on time, and file it electronically so that it is processed faster.

Tax cuts are part of Canada's Economic Action Plan. In 2009, two new tax-saving measures, the Home Renovation Tax Credit and the First Time Home Buyers' Tax Credit, were added.

A wide range of tax cuts at your fingertips—reach out and claim yours!
