

## **Employee Overpayment of Employment Insurance Premiums**

Complete this form to calculate any overpayment of employment insurance (EI) premiums paid through employment.

To receive a refund of any overpayment, the amount of the EI overpayment has to be more than \$1.

If you have **self-employment** and other eligible earnings and you entered into an agreement with the Canada Employment Insurance Commission through Service Canada to participate in the EI program for access to EI special benefits, complete Schedule 13 **before** completing this form.

Do not complete this form if you were a resident of Quebec on December 31, 2021, and have to complete Schedule 10.

(1) If you have no self-employment earnings and your total El insurable earnings on your T4 slips are less than \$2,000, enter "0". However, if you have self-employment earnings and have an agreement with the Canada Employment Insurance Commission through Service Canada to participate in the El program for access to El special benefits, enter the total El insurable earnings from your T4 slips.

- (2) If you received EI-exempt employment income (box 28 of your T4 slip) and there is an amount in box 55 of your T4 slip, do not claim the amount in box 55 on this line. In this case, contact Revenu Québec to get a refund of your provincial parental insurance plan (PPIP) premiums paid. However, if you are an employee who controls more than 40% of a corporation's voting shares and you have an agreement in 2021 with the Canada Employment Insurance Commission through Service Canada to participate in the EI program for access to EI special benefits, claim the amount in box 55 on this line.
- (3) We may adjust your claim if there is an amount on line 2 and the amount on line 3 is **less than \$2,032** (\$2,023 for residents of Quebec).
