Changing the banking information

After the request has been approved and direct deposit starts, it will stay in effect until changed by a legal representative. We will need to receive a new Form T3-DD, Direct Deposit Request for T3, to change any of the following:

- the financial institution number
- the branch number of the financial institution
- the bank account number

If your financial institution tells us of a change in the branch, institution or account number, we may redirect payments according to the new information.
