

T3RIF-IND INCOME TAX RETURN FOR REGISTERED RETIREMENT INCOME FUND (RRIF)

A registered retirement income fund (RRIF) is defined in section 146.3. It includes the trust agreement that forms part of the contract between the annuitant and the trust company that issued the RRIF.

As trustee for a RRIF, every year you have to file this return if the RRIF was liable for tax at any time during the taxation year. In other cases, you can complete and send us Form T3RIF–G. You can use Form T3RIF–G for the year in which the last annuitant under the RRIF has died and the following year. You have to file this return for every year after that as long as the trust remains in existence. You can also use Form T3RIF–G if the RRIF was amended as described in subsection 146.3(11), but only for the portion of the year up to the date the plan was amended. After that, the trust has to file Form T3, *Trust Income Tax and Information Return*.

Send the completed return to the Ottawa Tax Centre, Ottawa ON K1A 1A2, within 90 days from the end of the year. If you do not file this return on time, we may impose penalties and charge interest on any amounts owing.
