

## FORWARD-AVERAGING TAX CREDITS FOR 1997

Use this form if you were resident in Canada throughout 1997, and you are electing under subsection 110.4(2) of the *Income Tax Act* to include part or all

For this election, if a person who died in 1997 was resident in Canada from January 1, 1997, to the date of death, we consider that the person was resident in Canada throughout 1997. In the year of death, all or any of the deceased resident's accumulated-averaging amount at the end of the preceding year can be added to the deceased's taxable income for the year of death. Use this form to specify what amount, if any, of the accumulated-averaging amount is to be taxed in the year of death. Any remaining balance of the deceased's accumulated-averaging amount can be taxed under special rules using Form T541,

Reduce non-capital losses and farm losses incurred in the year by the accumulated-averaging amount withdrawal specified for the year.

Attach a copy of this form to your income tax return or the deceased person's return. See the *General Income Tax Guide* or the income tax guide called
