This letter is to confirm and specify the terms of our engagement with you and to clarify the nature and extent of the services we will provide. In order to ensure an understanding of our mutual responsibilities, we ask all clients for whom returns are prepared to confirm the following arrangements.

We will prepare your 2021 federal and requested state income tax returns from information that you will furnish us. We will not audit or otherwise verify the data you submit, although it may be necessary to ask you for clarification of some of the information. We will furnish you with questionnaires and/or worksheets to guide you in gathering the necessary information. Your use of such forms will assist in keeping pertinent information from being overlooked.

It is your responsibility to provide all the information required for the preparation of complete and accurate returns. You should retain all the documents, canceled checks and other data that form the basis of income and deductions. These may be necessary to prove the accuracy and completeness of the returns to a taxing authority. You have the final responsibility for the income tax returns and, therefore, you should review them carefully before you sign them.

Our work in connection with the preparation of your income tax returns does not include any procedures designed to discover defalcations or other irregularities, should any exist. We will render such accounting and bookkeeping assistance as determined to be necessary for preparation of the income tax returns.

We will use professional judgment in resolving questions where the tax law is unclear, or where there may be conflicts between the taxing authorities' interpretations of the law and other supportable positions. Unless otherwise instructed by you, we will resolve such questions in your favor whenever possible.

Electronic Filing

Electronic Filing:

Electronic filing is the means by which your return is transmitted directly to the IRS and state tax authorities. The IRS has implemented an electronic filing mandate requiring certain preparers, including this firm, to file all returns that they prepare electronically. Some states also require certain preparers to electronically file state returns prepared. The IRS and some states allow taxpayers to elect not to file their returns electronically.

Do not electronically file the federal return	
Do not electronically file the state return(s)	

Note: The IRS and some states that require returns to be electronically filed also impose fees and/or penalties for failure to do so. If you checked either of the boxes above, you may be required to sign an "opt-out" form before we can release your returns. As a follow-up we will contact you to discuss these requirements and your ability to "opt-out" of electronic filing.

The IRS requires, and many states allow, the use of a Personal Identification Number (PIN) in lieu of mailing a signature document when electronically filing.

Spouse PIN

Electronic filing is the means by which your return is transmitted directly to the IRS and state tax authorities. Electronic filing is the only filing method that provides you with acknowledgment that the IRS has received your return and is processing it. If you are to receive a refund and use direct deposit with electronic filing, you will normally receive your refund in about 3 weeks.

Note that not all returns qualify for electronic filing under IRS rules.					
	If you qualify for electronic filing, would you like to file the return electronically with the IRS?				ļ
	If you qualify, would you like to file your state returns electronically?		[[

The IRS requires the use of a 5-digit self-selected Personal Identification Number (PIN) in lieu of mailing a signature document when electronically filing.

Because some states have official opt-out forms, additional signatures may be necessary before your return can be filed.

Opt-Out Statement:

has informed me (us) that my (our) 2021 Individual Income Tax return may be required to be electronically filed if the firm files the return on my (our) behalf. I (We) understand that electronic filing may provide a number of benefits to taxpayers, including an acknowledgment that the IRS received the return, a reduced chance of errors in processing, and faster refunds. I (we) do not want to file my (our) return electronically and will personally file the paper return. My (our) preparer will not file or otherwise mail or submit my (our) paper return to the IRS.
