

## Residency information for tax administration agreements

At the time of printing, a tax sharing and administration agreement was being discussed with the Labrador Inuit Association that could lead to Canada sharing a portion of the federal personal income tax payable by all residents of Labrador Inuit lands and the Inuit communities of Rigolet, Nain, Hopedale, Makkovik, and Postville.

Such an agreement may be implemented between Canada and the Nunatsiavut Government on or before December 31, 2005. If so, the Canada Revenue Agency will use the Labrador Inuit lands and Inuit communities residency information to administer the agreement.

All individuals, including individuals other than Inuit, who reside on Labrador Inuit lands or in the Inuit communities of Rigolet, Nain, Hopedale, Makkovik, or Postville have to identify themselves by ticking “Yes” in the Residency information for tax administration agreements box on page 1 of the 2005 *Income Tax and Benefit Return*.

All Individuals, including Inuit, who live elsewhere have to tick “No” in the Residency information for tax administration agreements box on page 1 of the 2005 *Income Tax and Benefit Return*.
