

Fuel Charge Return Schedule – Registered Importer

under the Greenhouse Gas Pollution Pricing Act

If you are a **registered importer**, use this schedule to calculate your total charge and your total rebate for the reporting period. If you are operating in **more** than one listed province, use a separate schedule for each additional listed province. If you have more than 6 fuel types, use another schedule to provide the information. Report the result on Form B400, Fuel Charge Return – Registrant. For instructions on how to complete this schedule, go to canada.ca/cra-fuel-charge.
