

Fuel Charge Return Schedule for Non-Registrants

under the Greenhouse Gas Pollution Pricing Act

If you are not registered and are not required to be for the purpose of the fuel charge, use this schedule to calculate your total charge for a reporting period. If you are reporting a charge in more than one listed province, use a separate schedule for each additional listed province. If you have more than 4 fuel types, use another schedule to provide the information. Report the result in Part 2 of Form B401, Fuel Charge Return for Non-Registrants.
