EFILE Monitoring

The following is provided for information purposes.

As indicated in Chapter 1 of the RC4018, Electronic Filer's Manual, and on the Web site at www.efile.cra.gc.ca under the 'Responsibilities' section, we periodically request a number of copies of the following forms from each electronic filer:

- [Form T183](#), Information Return for Electronic Filing of an Individual's Income Tax and Benefit Return;
- [Form T1153](#), Consent and Request Form.

In addition, we may also ask for a written explanation on errors noted during the review.

Please note that we will provide you with a specific timeframe to respond to our requests. If you do not respond within the specified timeframe to our request for forms and/or a written explanation on errors noted during the review, we may temporarily suspend EFILE and SEND privileges until you comply with our requests and our review is complete.

If you have any questions about this message, please call your [EFILE Helpdesk](#).
