

Fuel Charge Exemption Certificate for Registered Emitters or Users of Fuel

under section 36 of the Greenhouse Gas Pollution Pricing Act, and the Fuel Charge Regulations

If you are a registered emitter or user of fuel, use this form as an exemption certificate in accordance with section 36 of the Greenhouse Gas Pollution Pricing Act.

If a registered emitter purchases fuel on an exempt basis, and removes the fuel from its covered facility in a listed province, it must self-assess the fuel charge based on the quantity of fuel that it has diverted.

If a registered user of fuel purchases fuel on an exempt basis, and diverts the fuel to a non-eligible activity, it must self-assess the fuel charge based on the quantity of fuel that it has diverted.

Did you know?

False declaration

If a particular person delivers fuel in a listed province to another person at a particular time, if an exemption certificate applies in respect of the delivery in accordance with subsection 36(1) and if the declaration referred to in paragraph 36(1)(b) is, at the particular time, false, the following rules apply:

- the other person must pay to the Receiver General for Canada a charge in respect of the fuel and the listed province in the amount determined under section 40;
- the other person is liable to pay, in addition to any other penalty under Part 1, a penalty equal to 25% of the amount of the charge under paragraph (a) payable in respect of the fuel; and
- if the particular person knows, or ought to have known, that the declaration is, at the particular time, false, the particular person and the other person are jointly and severally, or solidarily, liable for the payment of the charge in respect of the fuel and the listed province under paragraph (a), the penalty under paragraph (b) and any related interest and penalties.

What to do now

- Give the original certificate to your supplier.
- Keep a copy of this certificate with your records.
- Do not send this certificate to the Canada Revenue Agency.
