#### Completing the supplementary information

If you are requesting a refund for tax paid on an exported vehicle, you must complete this form (Form N15-1, Excise Tax Act, Application for Refund/Rebate, Supplementary Information), and attach it to the N15, Excise Tax Act, Application for Refund/Rebate, on which you are claiming the refund.

Alternatives to this form may be acceptable, such as a computer-generated listing. However, the information on the listing should be equivalent to that required by this form and presented in the same format.

#### Details of application

Complete the "Purchased from," "Exported to," and "Broker" information where applicable. You may choose to group the transactions where the "Purchased from," "Exported to," and "Broker" information remains constant instead of listing the "Purchased from," "Exported to," and "Broker" information separately for each transaction.

#### Exportation of Vehicles

For each transaction, provide the "Make," "Year," "Model," "Vehicle Identification Number (VIN)," and "number of litres per 100 km (Litres / 100 km)." Also indicate if the vehicle is air conditioning (A/C) equipped (yes (Y) or no (N)), and enter the "Amount claimed" for the vehicle.

If you have more than 6 exported vehicles to declare, attach extra pages.
