Direct deposit

Direct deposit is a fast, convenient, reliable, and secure way to get your CRA payments directly into your account at a financial institution in Canada. There is little risk of direct deposit payments being lost, stolen, or damaged, as can happen with cheques.

If you change any account into which we deposit a payment, do not close the old account until we start to deposit the payment into the new account.

If you move, let us know your new address **immediately**. Otherwise, your payments may stop, even if you use direct deposit and your bank account does not change.
