

Important Reminder Concerning the *Payroll Deductions Tables (T4032)*

This is a reminder that we no longer mail paper copies of the *Payroll Deductions Tables (T4032)*.

In keeping with our goal to be environmentally conscious and reduce paper waste, CCRA is significantly reducing the volume of paper payroll tables we produce each year.

Tables on the Web

You can download the tables from our Web site at www.ccra.gc.ca/payroll and save them on your computer. You can choose to print only the specific pages or information you need.

Generally, the electronic version of the T4032 publications is available on our Web site three weeks before the printed publication is available.

We can still mail you a paper version of the tables if you cannot access our electronic products. Simply order one in advance from our Web site or call toll free at **1-800-959-2221**. To avoid delays, have your Business Number available and place your order by November 7, 2003.

Payroll deductions calculator

A payroll deductions calculator called *Tables on Diskette* is available on our Web site. This calculator will give you the deduction amounts for your employees and allow you to print the tax pages you need. You will find a link to the program at www.ccra.gc.ca/payroll.

Let us notify you

To get quick and easy access to new payroll deductions tables and other recently announced tax information, you can subscribe, **free of charge**, to one or more of these electronic mailing lists. For more information on this convenient electronic subscription service, visit www.ccra.gc.ca/lists.
