## Completing the Directors/Trustees Worksheet for Registered Journalism Organizations

### **Public information**

Information from this column is available to the public.

Enter the last name, first name, and initial of each director/trustee.

#### Term:

**Start date**: Enter the date the person started in the position.

**End date**: Enter the date the person left the position. If the person has not left the position, leave this field blank.

**Position**: Enter the title of the position they hold. An organization's governing documents will usually identify each position (for example, president, treasurer, secretary).

At arm's length with other directors/trustees: Tick Yes if the person is at arm's length with all other directors/trustees.

The term "at arm's length" describes a relationship in which persons act independently of each other or are not related. "Not dealing at arm's length" or non-arm's length means persons acting jointly without separate interests or who are related.

Related persons are individuals who are related to each other by blood, marriage or common law partnership, or adoption. Related persons also include individuals or groups and the corporations they have a controlling interest in. Persons related to these individuals or groups are also considered related to those corporations.

For more information on arm's length and related persons, go to **canada.ca/qualified-journalism-criteria** and see paragraphs 2.35 to 2.38. Also, go to **canada.ca/charities-giving**, select "A to Z index," and see "Related persons and dealing at arm's length, Income Tax Folio S1-F5-C1."
