

Election on Disposition of Property by a Taxpayer to a Taxable Canadian Corporation

- This form is used by a taxpayer and a taxable Canadian corporation to jointly elect under subsection 85(1) where the taxpayer has disposed of **eligible property** under subsection 85(1.1) to the corporation and the taxpayer receives as consideration shares of capital stock of the corporation.
- Unless otherwise indicated, all legislative references are to the *Income Tax Act*.
- Mail one copy of this election and related schedules (as specified), completed by the transferor, as follows:
 - to the tax centre of the transferor;
 - on or before the earliest date on which any party to the election has to file an income tax return for the tax year in which the transaction occurred (due date). This due date must consider any election under subsection 25(1) or 99(2); and
 - separately from any other return.

When many transferors elect to transfer the same property (co-ownership) or many members of the same partnership elect to transfer their partnership interests, the elections will be processed together and should be filed:

- at the tax centre of the transferee;
- on or before the due date; and
- by a designated transferor to file all of the completed forms for each transferor, together with a list of all of the electing transferors. This list should contain the name, address and social insurance number, trust account number or business number of each transferor.

Find the address of the transferor's and transferee's tax centre at cra.gc.ca/tso.

Penalty for late-filed and amended elections

An election that is filed after its due date is subject to a late-filing penalty. You can file Form T2057 within three years after its due date if you pay an estimate of the penalty at the time of filing. You can also amend or file Form T2057 after the three-year period, but, in addition to the payment of an estimated penalty amount, you must attach a written explanation justifying the changes or reasons for the delay for consideration by the minister.

Calculation of late-filing penalty:

Fair market value (FMV) of property transferred	_____	
Agreed amount	_____	
Subtotal (FMV minus agreed amount)	_____	A
Amount A _____ × ¼ × 1% × N * _____ =	_____	B
\$100 × N * _____ =	_____	C
Amount C cannot exceed \$8,000.		
Late-filing penalty (amount B or amount C, whichever is less)	_____	
Amount enclosed	_____

Make your cheque or money order payable to the Receiver General. On the back, write T2057, the transferor's name, and their social insurance, trust account or business number.

Unpaid amounts including late-filing penalties are subject to daily compound interest at a prescribed rate.

* N is the sum of each month or each part of a month in the period from the filing due date to the actual date filed.

If there is not enough space on the form, attach schedules giving similar details. You have to designate the order of disposition of each depreciable property. The following material may be prepared in order to complete the form: a summary of the method of evaluating the FMV of each property transferred; schedules supporting this election; and documentation relating to the responses to the questions below.
