- Small manufacturing corporations that meet requirements 1 through 4 in Part 1 of this schedule should complete Part 1. Corporations that only generate electrical energy for sale or produce steam for sale must complete Part 10 on page 5. All other corporations should complete Part 2.
- All legislative references are to the Income Tax Act and the Income Tax Regulations.
- Income that is eligible for the small business deduction is not eligible for the manufacturing and processing profits deduction.
- See page 7 for notes and definitions to help you complete this schedule.

Part 1 – Small manufacturing corporations

See [notes 1 to 7](#) on page 7.

To qualify as a small manufacturer, you have to meet all of the following requirements:

1. your activities during the year were mainly manufacturing or processing in Canada of goods for sale or lease;
2. the following calculation totals \$200,000 or less:

| | | |
|--|------------|--|
| your active business income minus active business losses for the year [this includes your share of active business income and active business loss for the fiscal period of each partnership of which you were a member at any time in the year (see i) below] | 100 | |
| the active business income for the tax year of each Canadian corporation with which you were associated in the year (see ii) below | 105 | |
| Total (line 100 plus line 105) (cannot exceed \$200,000 under section 5201 of the regulations) | 110 | |
3. you were not engaged at any time during the year in any activities as set out in subsections 5201 (c) to (c.3) of the regulations; and
4. you did not carry on any active business outside Canada at any time during the year.

If you meet requirements 1 through 4, your Canadian manufacturing and processing profits are equal to line 100 above. Enter this amount on line 200 in Part 9.

If you do not meet requirements 1 through 4, complete Part 2 below.

Partnerships and associated corporations

If it applies, please give the following information on a separate sheet of paper attached to this form:

- i) Partnerships – give the name, business number, and total income or loss from each active business carried on by each partnership of which you were a member at any time in the year.
- ii) Associated corporations – give the name, business number, and total income from each active business for the tax year carried on by each Canadian corporation with which you were associated in the year.

Part 2 – Corporations that do not qualify as small manufacturers

Complete this part using all eligible activities other than generating electrical energy for sale or producing steam for sale.

See [note 6](#) on page 7.

Notes and definitions

1. **Active business**, in relation to any business carried on by a taxpayer resident in Canada, means any business other than a specified investment business or a personal services business.
2. **Active business income of an associated corporation** includes its share of the active business income for the fiscal period of a partnership of which it was a member at any time in the year.
3. **Fiscal period of a partnership** refers to the period coinciding with or ending in the tax year of the corporation.
4. **Tax year of an associated corporation** means any tax year that coincides with or ends in the tax year of the corporation completing this schedule.
5. **Year** means the tax year of the corporation completing this schedule.
6. **Canadian manufacturing and processing profits** is defined in subsection 125.1(3). There is also a definition of **manufacturing or processing** which lists activities that are not included.
7. The term **associated corporation** has the meaning given by section 256. See the T2 Corporation Income Tax Guide for more information.
8. To determine the **cost of capital**, exclude from the gross cost or rental cost, the part that reflects the extent the property was used during the year by the corporation or the partnership (section 5204 of the regulations):
 - (a) in an active business carried on outside Canada;
 - (b) to earn Canadian investment income or foreign investment income as defined in subsection 129(4) (assuming that the subsection applies also to partnerships);
 - (c) in activities that earn Canadian resource profits as defined in section 5202 of the regulations; or
 - (d) in activities referred to in items (a), (b), or (e) under the definition of "Canadian exploration and development expenses" in subsection 66(15), items (a) or (b) under the definition of "foreign exploration and development expenses" in subsection 66(15), items (a), (c), (f), or (i) under the definition of "Canadian exploration expense" in subsection 66.1(6), or items (a), (c), or (g) under the definition of "Canadian development expense" in subsection 66.2(5).
9. **Canadian exploration and development expenses, foreign exploration and development expenses, Canadian exploration expense, and Canadian development expense** are defined in subsection 66(15), subsection 66.1(6), and subsection 66.2(5). Your **Canadian or foreign exploration and development expenses** include the share of these expenses incurred by a partnership only if you were a member of that partnership at the end of the partnership's fiscal period.
10. **Salaries and wages** paid or payable to employees or **amounts** paid or payable to non-employees by a partnership that are included in its Canadian or foreign exploration and development expenses will be excluded from the calculation of the partnership's "Cost of labour" only if these exploration and development expenses can be included in the corporate partner's exploration and development expenses (see note 9 above).
11. Section 5203 of the regulations, **Resource income**, provides that a corporation's income from the processing of foreign ore be excluded from its net resource income (NRI) for the year. Income from foreign ore processing is generally equal to the resource profits for the year less the sum of Canadian resource profits for the year and the earned depletion base at the beginning of the immediately following tax year.
12. The following terms are defined in the Income Tax Regulations:

| Terms | Section or subsection |
|------------------------|------------------------------|
| – Gross cost | 5202 and 5204 |
| – Net resource income | 5203(3) |
| – Qualified activities | 5202 |
| – Rental cost | 5202 |
| – Resource activities | 5203(2) |
| – Salaries and wages | 5202 |
