- Use this schedule if you are a corporation and you want to:
 - calculate an Ontario political contributions tax credit (OPCTC) under section 53.2 of the *Taxation Act, 2007* (Ontario).
 - claim an OPCTC for eligible contributions made in the tax year and before January 1, 2017, or for unused eligible contributions carried forward from any of the previous 20 tax years to reduce Ontario corporate income tax payable.

- The OPCTC is a non-refundable tax credit that is calculated by **multiplying** the corporation's Ontario basic rate of tax (calculated in Part 1 of Schedule 500, *Ontario Corporation Tax Calculation*) by the eligible contributions made to a **registered candidate**, a **registered constituency association**, or a **registered party**. These terms are defined in the *Election Finances Act* (Ontario).
