- Use this schedule to claim an Ontario computer animation and special effects (OCASE) tax credit under section 90 of the *Taxation Act, 2007* (Ontario). Complete a separate Schedule 554 for each eligible production.
- The OCASE tax credit is a refundable tax credit that is equal to 20% of the qualifying labour expenditures, incurred before April 24, 2015, and 18% of expenditures incurred after April 23, 2015, by a qualifying corporation in a tax year, that are directly attributable to eligible computer animation and special effects activities (ECASEA) for an eligible production. Transitional rules may allow qualifying labour expenditures incurred after April 23, 2015 and before August 1, 2016 to be eligible for the 20% rate, see Part 4.
- For a production that only starts incurring eligible expenditures after April 23, 2015, the qualifying corporation must have also been issued a certificate of eligibility for either the Ontario Production Services Tax Credit (OPSTC) or the Ontario Film and Television Tax Credit (OFTTC) for the production to be an eligible production.
- To be eligible for the OCASE tax credit, you must be a Canadian corporation and meet the eligibility requirements in Part 3.
- Before claiming an OCASE tax credit, you must obtain a certificate of eligibility from the Ontario Media Development Corporation (OMDC). Only one certificate of eligibility will be issued for all of the eligible productions of the qualifying corporation for the tax year. Enter the certificate information for this production in Part 2 of this schedule.
- To claim the OCASE tax credit, file this schedule and the certificate of eligibility with your *T2 – Corporation Income Tax Return* for the tax year.
