

Calculation of Capital Gains Deduction for 2019

Use this form if you disposed of **qualified farm or fishing property (QFFP)** or **qualified small business corporation shares (QSBCS)** in 2019, or are reporting a reserve in 2019 from the disposition of QFFP, QSBCS, qualified farm property (QFP), or qualified fishing property (QXP). For the definitions of qualified farm or fishing property and qualified small business corporation shares, see the "Definitions" section in Guide T4037, Capital Gains.

Note

You have to be a resident of Canada throughout 2019 to be eligible to claim the capital gains deduction. For the purpose of this deduction, we also consider you to be a resident throughout 2019 if you were a resident of Canada for part of 2019 and throughout 2018 or 2020.

Deferred capital gains from the disposition of QSBCS **do not qualify** for this deduction.

If you have investment income or investment expenses in 2019, complete Form T936, Calculation of Cumulative Net Investment Loss (CNIL) to December 31, 2019, before you complete this form. Form T936 lists what we consider to be investment income and expenses. If you are reporting a reserve claimed on your 2018 return or claiming a reserve for 2019, you also have to complete Form T2017, Summary of Reserves on Dispositions of Capital Property. To get these forms, go to canada.ca/cra-forms-publications or call **1-800-959-8281**.

What is the capital gains deduction limit?

If you disposed of QFFP, QSBCS, QFP, or QXP you may be eligible for the lifetime capital gains exemption (LCGE). Because you only include one half of a capital gain in your income, your cumulative capital gains deduction is one half the LCGE.

The total of your capital gains deductions on gains arising from dispositions in 2019 of qualifying capital property has increased to \$433,456 (one half of the LCGE increased by indexation to \$866,912 for 2019).

For dispositions of QFFP after April 20, 2015, the LCGE is increased to \$1,000,000. This additional deduction does not apply to dispositions of QSBCS:

- The limit on gains arising from dispositions in 2018 of qualifying capital property is \$424,126 (one half of a LCGE of \$848,252)
- The limit on gains arising from dispositions in 2017 of qualifying capital property is \$417,858 (one half of a LCGE of \$835,716)
- The limit on gains arising from dispositions in 2016 of qualifying capital property is \$412,088 (one half of a LCGE of \$824,176)
- The limit on gains arising from dispositions in 2015 of qualifying capital property is \$406,800 (one half of a LCGE of \$813,600)
- The limit on gains arising from dispositions in 2014 of qualifying capital property is \$400,000 (one half of a LCGE of \$800,000)
- The limit on gains arising from the dispositions of qualifying capital property after 2008 and before 2014 is \$375,000 (one half of a LCGE of \$750,000)

For more information, see the section called "Claiming a capital gains deduction" in Guide T4037, Capital Gains.

Qualified farm or fishing property (QFFP) and qualified small business corporation shares (QSBCS)

When you dispose of QFFP or QSBCS and have a capital gain, you can claim a capital gains deduction in 2019 that is equal to one of the following amounts, whichever is **less**:

- your annual gains limit for 2019
- your cumulative gains limit for 2019
- your net taxable capital gains reported in 2019 from dispositions of QFFP or QSBCS or if you are reporting a reserve in 2019 from the disposition of qualifying capital property
- your maximum capital gains deduction available for 2019

There is an election available to you if you own shares of a qualifying small business corporation that stops being a small business corporation because of one of the following reasons:

- a class of its shares is listed on a designated stock exchange
- after 1999, a class of another corporation's shares is listed on a designated stock exchange

This election will allow you to report a taxable capital gain on your income tax return and claim the \$433,456 capital gains deduction, even though you did not actually sell your shares. The deduction applies to any gain you have on these shares to the date the shares are listed. To make this election, complete Form T2101, Election for Gains on Shares of a Corporation Becoming Public. To get this form go to canada.ca/cra-forms-publications or call **1-800-959-8281**.
